**Yield**

45-55%

**Staple Length**

2.5-4"

**Description**

Developed from the Spanish Merino in France and Germany, the Rambouillet is the foundation of most Western U.S. range flocks. White-faced with wool on the legs, the Rambouillet is largest of the fine wool breeds. This rugged animal is adaptable to a wide variety of arid range conditions and has a well-developed flocking instinct and is long-lived. The breed also has an extended breeding season and produces a high-quality fine-wool fleece.
